Gaurav Bhosale

Undergrad

About Me

I am a second-year B.Tech Computer Engineering student with a strong interest in **front-end web development.** I enjoy creating clean, responsive user interfaces and continuously work on improving my coding and problem-solving skills. I'm also exploring areas like **Artificial Intelligence and Machine Learning** out of curiosity and a desire to broaden my technical knowledge. I'm eager to gain hands-on experience and contribute to real-world projects.
